<a href="#">HB0040S01</a>	Water Loss Accounting	Ballard, M.G.	The legislation directs the Utah Department of Agriculture and Food and the Division of Natural Resources to create a working group of technical water experts to study water loss accounting. The group will evaluate water loss accounting and make recommendations to the Utah Water Task Force and legislative interim committees.	A city should identify key technical staffers to participate in the working group and contact ULCT to involve those staffers.	ULCT staff worked with the bill sponsor to prevent any unfunded mandates on municipalities. The legislation originally contemplated requiring water loss accounting and the State paying for training for compliance. When funding was not available, ULCT worked with the sponsor to avoid the costs being shifted to cities and towns.	ENACTS: 73-1-20

<a href="#">HB0041</a>	State Water Policy Amendments	Stratton, K.	This bill creates a state framework for water and its purposes, clarifying projects, purposes, and goals for water.
